San Carlos Grade School Plans June 17 Exercises

The June 17th graduation exercises for the San Carlos Elementary School will be limited to ticket holders this year, according to Miss Ruth Melendy, school superintendent. The limited space and large class necessitate the restriction, she said.

Program for the graduation of the eighth grade pupils will be as follows:

Processional, "Triumphal March" from Aida, Verdi; Invocation by the Rev. C. K. Moriarty; pledge of allegiance, led by Larry Niswander; "Star Spangled Banner," audience; "Poet and Peasant Overture," Von Suppe, orchestra.

Greetings, Joan Chapman; "Now Is the Hour" and "Serenade," Schubert, Girls' Glee Club; Our Forensic Activities, Carolyn Abbott; Debate, Resolved: "That Congress Should Pass the U.M.T. Bill." Affirmative: William Kempenich and Alfred Hockley, Negative: Kenneth Elder and William Dubbin, chairman, George Frederic.

"Graduation Hymn," graduating class; presentation of Class of 1948—Miss Ruth Melendy, district superintendent of schools; presentation of diplomas, I. E. Chapman, chairman of board of trustees; "Recessional," Laurendeau.

CALIFORNIA BRIEFS: SF Voters Defeat School, Cable Car Bonds, Approve Sewers

SAN FRANCISCO (AP)—An $87,000,000 school bond issue and a $200,000 bond issue for municipal acquisition of the California street cable car system were rejected by San Francisco voters yesterday.

The propositions required a two-thirds vote to carry. The school bond vote was yes, 136,558; no, 89,234. Cable railway purchase, yes, 128,210; no, 91,171.

Voters approved a $15,000,000 sewage system bond issue and a $2,750,000 juvenile detention home proposal by slim margins.

★ ★ ★

SAN RAFAEL (AP) — William Fusselman, incumbent Marin County supervisor in the second district, and Raymond H. Stone will be in a run-off race for the job in November.

In yesterday's election Fusselman polled 3578 votes; Shone, 2806, and Cecil John Allen, 1015 Fussleman didn't get a majority

San Rafael's $950,000 sewage disposal bond issue carried 3330 to 851.

★ ★ ★

RICHMOND, Calif. (AP)—An estimated $4000 in cash was scooped up here last night by armed burglars who held up one of the Lucky store chain units just at closing time.

The three gunmen herded employes and one customer in a corner and then forced Lois Swanson, the bookkeeper to open the safe.

★ ★ ★

SAN FRANCISCO (AP) — Louis W. Kitchens, navy boilerman, 2/c, of Concord, Calif., is among those missing and presumed lost in the swamping of a navy launch at Norfolk, Va., the navy announced last night.

His address was given as Box 1221, Concord.

★ ★ ★

SAN FRANCISCO (AP) — The negotiating committee of the AFL Department Store Employes Union, Local 1100, last night authorized its executive committee to call a strike against 17 San Francisco stores.

The union is seeking $47.50 a week minimum, uniform commissions, five-day week the year around and a 10-cent-an-hour premium to part time help.

The strike authorization is to be used only if negotiations with the San Francisco Retailers Council on the demands break down.

★ ★ ★

MARTINEZ (AP) — Contract talks between CIO office and professional workers at the Shell Oil Co. refinery here and the company were resumed today. This postponed a strike which had been scheduled for today.

To peel ripe tomatoes dip them in boiling water for one minute or until their skins will come off easily. Rinse under cold water and chill in refrigerator before using in salads.

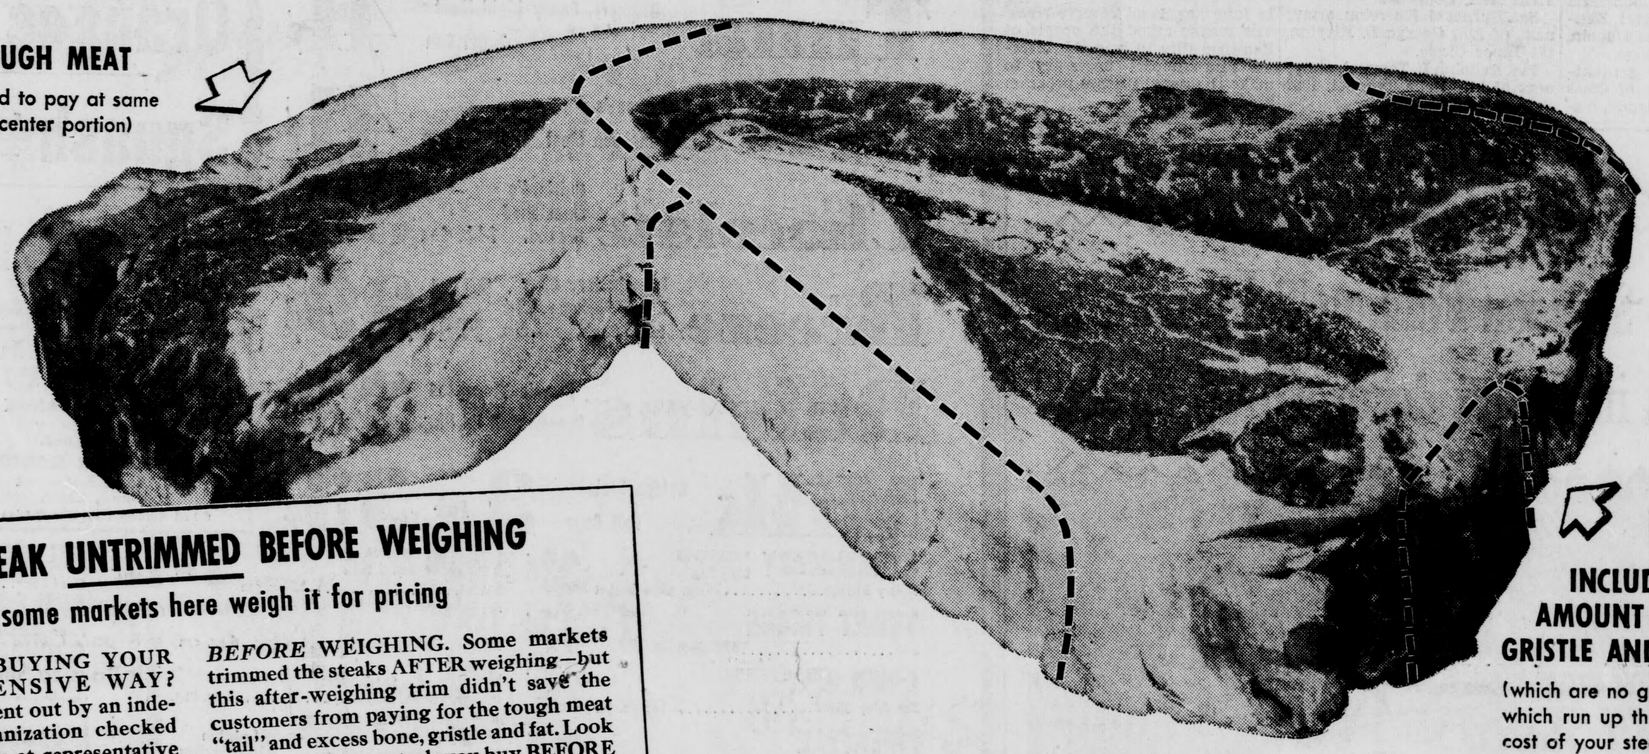
Look Carefully At These Steak Photos

They May Save You An Important Part Of Your Meat Bill. Steaks Like Each Of These Were Bought At The Same Price Per Pound In Recent Test-Purchase Survey

INCLUDES "TAIL" OF TOUGH MEAT
(for which the customer is asked to pay at same price per pound as for tender center portion)



INCLUDES EXCESSIVE AMOUNT OF BONE, GRISTLE AND FAT
(which are no good for eating, yet which run up the weight and cost of your steak)

T-BONE STEAK UNTRIMMED BEFORE WEIGHING
. . . as some markets here weigh it for pricing

HAVE YOU BEEN BUYING YOUR MEAT THIS EXPENSIVE WAY? Women investigators sent out by an independent research organization checked meat-trimming methods at representative markets all over this area. For example, they bought T-bone steaks . . . and were AMAZED by this discovery: 95% of markets visited (other than Safeway) DID *NOT* TRIM THEIR T-BONE STEAKS *BEFORE* WEIGHING. Some markets trimmed the steaks AFTER weighing—but this after-weighing trim didn't save the customers from paying for the tough meat "tail" and excess bone, gristle and fat. Look closely at the next steak you buy BEFORE it goes on the scales! If you can't get your market to trim BEFORE weighing, come to Safeway and get the money-savings modern meat-trimming offers you!

TOUGH MEAT "TAIL" REMOVED BEFORE WEIGHING
(so this almost unchewable meat isn't counted in the weight and cost of your steak)

EXCESS BONE, GRISTLE AND FAT REMOVED BEFORE WEIGHING
(so you don't have to pay at steak prices for these waste parts)

SAFEWAY TRIMMED-BEFORE-WEIGHING T-BONE STEAK
. . . trimmed so you pay for only tender center portion

MONEY-SAVINGS OF 18¢ TO 52¢ per typical 2-pound T-bone steak are secured by many housewives who purchase trimmed-before-weighing meats, the test-purchase survey reveals! In just a few weeks of meat-buying such savings can go a long way to cut down the high cost of living for your family. You are rightfully entitled to GET THESE SAVINGS . . . because every market should trim meats BEFORE WEIGHING. No longer do you need to buy T-bone steaks, for example, on somebody else's say-so. The steak photos printed here show you exactly what *kind* of trimming to look for. Take these photos to your market. Use them to check the next T-bone steak you buy BEFORE it is put on the scales!

Safeway believes *all* markets should retail meat this common-sense way—with excess bone, fat and waste-parts trimmed off *before* the meat is weighed. More and more good markets are doing it. Why don't you ask *your* market man to trim your next steak *before he weighs it?*

THE SAFEWAY trimmed-before-weighing beef T-bone steak has in it the kind of meat people want in steaks. NOT the tough meat "tail"—which isn't rightly part of a steak people expect to *eat and enjoy!* NOT the excess bone and gristle — which should be cut off and thrown away.

Most every good cook and good market man *knows* that steaks should be trimmed as Safeway does it...*before weighing.*

The savings cited here on T-bones are typical of savings you make on every cut and kind of meat that's trimmed as Safeway does it—*before* weighing. You save on rib roasts and chops, on leg of lamb and other cuts—when each cut is trimmed before weighing according to its special requirements. *Wherever* you buy, insist on pocketing for yourself the money-savings this better trimming method brings.

Safeway buys nothing less than the top government grades of beef . . . nothing less than the top grades of lamb, pork and veal. All Safeway meats are properly aged — brought to you at peak perfection.

Come try trimmed-before-weighing meats at Safeway. Note our special Two-Steak Offer printed at the right.

SAFEWAY'S OFFER: We will give you 2 T-bone steaks at no cost if ever you get from us a T-bone steak *NOT* trimmed before weighing! Just show the meat to the manager of the Safeway store where you bought it. We won't quibble or argue. *We want* you to have extra T-bones without cost if we fail to trim as we say!

SAN FRANCISCO (AP) — Gin Hop, a Chinese herb doctor hopes to take home his 41-year-old wife, who threatened to jump from the 14th floor quarters of an immigration service detention ward.

Hop arrived yesterday by plane and visited his wife, Wong Loy, in a hospital where she is under observation.

Vet Insurance Deadline Set For July 31 for Reinstatement

Veterans were reminded today by Floyd D. Granger, Veterans Service officer that July 31, 1948 is the expiration date for reinstatement of National Service Life Insurance policies without the required physical examination.

Granger said those veterans who allowed their insurance to lapse can have it reinstated at the same premium rates as originally paid in service. Two premium payments are required with the reinstatement application.

The local service officer pointed out that a simple statement over the veteran's signature to the effect that his health is as good now as when he allowed the policy to lapse is generally all that is required to reinstate.

Arrangements may be made for a lump sum payment of the policy or installment payments of various kinds. Policies may be converted at any time. However, Granger emphasized that policies may now be issued initially for any one of the various forms of permanent insurance.

Another liberal provision of National Service Life Insurance is the automatic conversion for the totally disabled veteran. If a veteran becomes disabled at the expiration of his term insurance, his insurance will be automatically converted to a permanent plan of ordinary life insurance.

Information about National Service Life Insurance, together with advice and assistance in filling out the necessary forms for reinstatement are available at the Veterans Service Office in the courthouse.

SM Executive Commits Suicide

William P. Siebecker, 47, West Coast manager of the Granberg Meter Corp., committed suicide in his San Mateo home Monday afternoon, police said Tuesday.

His body was found by Officer Earl P. McKinnon of the San Mateo police, on a couch in the playroom of his home at 129 Avila Rd.

He had been shot through the right temple with a Colt .45 caliber service revolver, which lay on the floor at his feet.

Inspector Zachary W. Whitten said there were powder burns on the right side of the head, which indicated the wound had been self-inflicted.

San Carlos Man Jailed in P.A.

A San Carlos man who entered a Palo Alto home early Monday morning, disrobed and then defiled walls and rugs, was in the city jail in Palo Alto Tuesday pleading guilty and being fined $100 in the court of city judge John E. Springer.

According to police records. Jack Patrick Normanly, 28-year-old airline expediter of 121 Belvedere St., San Carlos, Monday borrowed an auto, got drunk, and went to Palo Alto. At about 4:30 o'clock Monday morning, he entered the home of Ben S. Harrell, 1161 Forest Ave., Palo Alto. Normanly went into the living room of the Harrell residence, stripped to his underware and then befouled the walls and rugs.

Mrs. Harrell told officers that she was awakened by her dog, after which she entered the living room, switched on the lights and discovered Normanly in his acts.

Normanly explained to Judge Springer that he thought he was in his own home. The judge explained to Normanly that his fine was $100 or 20 days in the Santa Clara County jail.

Two Injured In SM Crash

A two-car collision Monday at 12th Ave. and El Camino Real, San Mateo, resulted in minor injuries to both drivers.

According to police a car driven by Carmel Helen Enright, 23-year-old secretary, of Burlingame, ran through a red light and struck a car driven by Stanley Green, 31-year-old lumberman of Angels Camp.

Miss Enright suffered a sprained left wrist; Green a torn ligament in the left knee. Both were treated at Mills Memorial Hospital and released.

Miss Enright was cited by San Mateo police for failure to heed a stop signal.
